Dear Ms. Kim Collins:

This is a continuation. I am not in violation of two U.S.C. 5441(H). The ballots are not misleading the ballots are charted all Disclosure have been file or in the process of being filed. Because the election does not end until November 2014 this is the first election were International Communication And Associate collect contribution. All before the Shelby County Democratic Club allowed Candidates to pay for poll workers only. November 6, 2012 we did not charged Steve Cohen any money for being on the ballot, or any other candidates (see ballot November 6, 2012). Question-(#1) The other issue( By Mr. John Marek), which is related to the ballots, (I would like to report is that it appears that no federal or local campaign has reported disbursements to pay to be on the Shelby County Democratic Club.) (#1) Answer- (There are no disbursements paid to the Shelby County Democratic Club

from any of the candidates. All money is paid to( International Communication and Associate) .The Shelby County Democratic do not collect money for being on the ballots, it only collected money for membership. Each candidate that is place on the ballots are recommended by the Executive steering committee. When candidate re-searcher and find out Excellent work, by the (Shelby county democratic club). Some volunteer to pay for mail outs, printing, poll workers, door to door canvassing, Radio-TV, and publication advertisement, some choose to donate for poll workers only, and some candidates that is recommended by the executive steering committee for the work they have done in the community, and for the work they will do for the community, they are on the ballots and at that point, if any candidates choose to be removed from the ballots, because of the (Executive steering committee action, they have the right to ask to be removed from the ballots, or any other parts of this program, with a written notice within five days, before Publishing. Candidates that make contribution are reported on there disclosure forms to the election commission. (#2) Question-- this mean that either Marion La-Troy Williams is not reporting in-Kind contribution to the campaign candidates he puts on his ballots: We will always abide by FEDERAL, STATE, AND LOCAL LAWS. Question-Mr. Cohen did not report in-kind contribution from the 25 yrs. of putting candidates on his ballots, did he ask President Obama for a in-Kind contribution for being on his ballot, or did he pay President Obama for being on his ballot, did he pay President Obama for a picture that he claim endorse him. These are in-Kind contribution lets as Mr. Cohen for the record.

In closing To whom it may concern: this is an attempted by Mr. Cohen and his SURROGATE IS A SMOKE SCREEN TO SUPPRESS THE BLACK VOTE TURNOUT. this injunction that was dismissed by circuit court was an attempted to DUPLICATION OF THE OLD JIM CROW LAWS IN THE SOUTH in a more sophisticated scenario. Being a Democratic the by laws SAIDS that the Democratic party do not endorse candidate in a primary election Mr. Cohen and his surrogate has done this in every election, Did Mr. Cohen reported all his candidate in-kind contribution he endorse over the last 25 yrs. Is this on his disclosure forms; Inquires mine would like to no,

Ps. See ballot Nov. 6, 2012, all see letter inviting me to come meet with Mr. Cohen. I will be filing my complaint soon Marion La-Troy Williams.
